9. **Customized Email Module:** SMP has customized email platform where you can send emails to parents, staff and students per class. You don't need to type the emails as they are automatically inputted from student records.

The screenshot displays the 'Sent School Customized Emails Here' interface. It features a form with the following elements:

- Email Subject:** A text input field.
- Email Message:** A rich text editor with a toolbar containing icons for text formatting (bold, italic, underline, link, unlink, text color, background color), list creation, indentation, and a 'Tracking' dropdown menu. Below the toolbar are dropdown menus for 'Styles', 'Format', 'Font', and 'Size', along with a color palette and a 'Send' button. The message body is a large text area with a 'Words: 0' counter at the bottom right.
- Select Contact Group:** A dropdown menu currently showing 'Parents'.
- Note:** A small text note stating: '(Note: Sending Emails to all parents/Students in all classes at the same time will be too much and considered as spam mail, so we categorized it per class to reduce it.)'
- Select A Class:** A dropdown menu currently showing 'Select A Class'.

The Encarta logo is visible in the bottom right corner of the interface.

When sending emails to parents, staff and students, It is sent with the name of your school, address and contact details. Also the photo and name of each student, staff and parent is added to the email.

This is how it will display in parents inbox
